PROFESSIONAL EXPERIENCE

SAGILITY

DEC-2023 - Still

Senior Process consultant (Data Specialist)

- Performed end-to-end adjudication of healthcare claims by validating eligibility, benefits, authorization, CPT/ICD codes, and policy coverage.
- Supported appeals and grievance cases by reviewing claim history, identifying discrepancies, and assisting with resolution documentation.
- Conducted claim status reviews and follow-ups to support timely resolution of pending, unpaid, and underpaid claims.
- Analyzing denial reasons and payment discrepancies.
- Utilized MS Excel to analyze claims data, track trends, and generate productivity and quality reports.
- Maintained and shared reports using Excel Services on SharePoint to improve collaboration and data accessibility.
- Ensured strict HIPAA/PHI compliance and audit-ready documentation across all claims activities.
- Met productivity, quality, and SLA 98-99% benchmarks while working in a US healthcare rotational/night shift environment.
